Vision Statement

St Michael's Catholic Primary School is a welcoming community, embracing the Gospel values of faith, hope and love. We provide a Catholic education that nurtures the development of all children to their full potential. Through Christian witness, we offer a safe and supportive learning environment for the families in our school community.

We would like to acknowledge the Aboriginal people and their ancestors who are the Traditional Owners of this land. May we and all Australian's, Aboriginal and Non Aboriginal, continue to be committed to the ongoing journey of Reconciliation.

Dear Parents, Staff and Students

Our students are looking forward to participating in the school cross country today. The Pre-Primary and Kindy class had a great day on Wednesday with their obstacle course cross country. We thank all our families who have supported our P&F with sponsoring their child in this fund raiser. Thank you students and our parents. Special thanks to Mr Henderson and the Year 5/6 class for setting up the obstacle course.

Our students will receive their semester one reports today. We congratulate all of them for their hard work and thank them for the mature manner they have shown in responding to the disruptions during term two.

We hope all our families have an enjoyable break and look forward to welcoming them back in term three.

God Bless
Phillip Rossiter

Change of Details

Can parents please notify Julie if there are changes of personal details so they can be updated in the system.

We have noticed that some emergency phone numbers belong to people who don't live in the state.

Some families don't have emergency contacts. This is very important so we have a contact in case of an emergency.

Change of addresses and phone numbers are very important also.

Thank you in anticipation.

Thank you.

I dwell upon
The goodness in my life.
Thank you.

I cherish in my heart
Your gift to me.
Thank you.

I notice the blessings
Of life, breath, loving and sharing.
I am so very grateful.

Thank you, Lord.

Administration of Schools (AoS)

Catholic Education Western Australia (CEWA) has committed to a new Administration software platform that has been a work in progress for the last couple of years.

As the demands of modern schools increase, the services required to support schools increase faster still. AoS (Admin of Schools) is a comprehensive engine designed to integrate all of these services and unite them in one central management system. St Michael's have been working with staff from CEWA in preparation for the installation of AoS, to replace our current Administration system.
