## **Vision Statement**

St Michael's Catholic Primary School is a welcoming community, embracing the Gospel values of faith, hope and love. We provide a Catholic education that nurtures the development of all children to their full potential. Through Christian witness, we offer a safe and supportive learning environment for the families in our school community.

We would like to acknowledge the Aboriginal people and their ancestors who are the Traditional Owners of this land. May we and all Australian's, Aboriginal and Non Aboriginal, continue to be committed to the ongoing journey of Reconciliation.

Dear Parents, Staff and Students

We hope all our families have been safe with the wild weather and power blackouts that have hit the South-West. We would remind all our families to take extra care during winter (autumn) storms. Our school was not damaged except for the discovery of a few more leaks in our roof.

St Michael's has welcomed back more of our families as parents feel more comfortable about sending their child/children to school. We remind parents that they still retain the choice to keep their child at home or send them to school. The remote learning program will continue to be provided to those students who are at home and to students who are attending. Face to Face teaching will gradually return to our classrooms over the coming weeks.

We are waiting for Catholic Education WA (CEWA) to meet on Monday 11th of May for further advice regarding schools returning to a more "normal" educational mode of delivery. We are also following the recommendations we receive from the WA Health Department and the State Government.

We hope all our mothers have a great day on Sunday and are able to celebrate with their family.

God Bless  
Phillip Rossiter

## **Uniform Shop**

The St Michael's Uniform Shop will be closed on a Monday afternoon during Term Two until further notice. During the term, uniform items can be purchased through the 'My School Connect' app and collected from the uniform shop by appointment or sent home with your child. For sizing purposes, uniforms can also be purchased by appointment at the uniform shop on a day/time that suits.

I would also like to take this opportunity to extend a warm 'Thank You' to the following women who gave of their precious time (and irons!) last term to help iron the school logo onto our summer uniforms; Angela, Charmaine, Renae, Sophia, Lisa, Suzie, Donelle, Viviana, Gemma and Marie. Your ironing skills, patience and time is greatly appreciated by all parents and students who wear their uniform with pride!

Thank you again,

Sarah Ferguson
