## Vision Statement

St Michael's Catholic Primary School is a welcoming community, embracing the Gospel values of faith, hope and love. We provide a Catholic education that nurtures the development of all children to their full potential. Through Christian witness, we offer a safe and supportive learning environment for the families in our school community.

We would like to acknowledge the Aboriginal people and their ancestors who are the Traditional Owners of this land. May we and all Australian's, Aboriginal and Non Aboriginal, continue to be committed to the ongoing journey of Reconciliation.

Dear Parents, Staff and Students

We have been slowly returning to a more regular teaching and learning program as all our students have now returned to St Michael's. Our teachers are now providing students with face to face learning and our specialist teachers have recommenced their programs. We congratulate our students on the manner in which they have been able to accommodate the many disruptions to their learning in the first few weeks of term two. We look forward to further changes to school operational guidelines as directed by the various State Government agencies responsible for schools.

We have continued to emphasize the importance of personal hygiene particularly with washing hands. Our school cleaning program includes extra cleaning at the end of the day and cleaning the school during the day. We have continued the use of hand sanitizers before recess, after recess, lunch, beginning of the day and at the end of the day. We thank our students for showing such a responsible attitude to ensuring school protocols are followed. We would remind parents that if their child is sick to please keep them at home.

At this stage parents cannot enter the school grounds to speak with their child's teacher. We would encourage parents who have concerns to please contact the school so that lines of communication remain open.

We are hoping over the coming weeks to confirm with parents re-scheduled dates for school events/activities.

We remind parents who may have had changes to their financial circumstances to please contact the school if they have concerns regarding the payment of school fees.

We hope all our families remain safe and well.

God Bless  
Phillip Rossiter

### Prayer

Loving God,  
We pray for all those who are suffering because of the  
Coronavirus, may they know your healing power.  
When we are afraid for ourselves and our loved ones,  
give us your strength and courage.  
When we feel alone and isolated, reassure us with a  
sense of your presence.  
Give wisdom to those in authority and may our community work  
together for the good of all.  
We give thanks for those who care for others and ask you to  
bless them in all they do.  
We ask this in the name of Jesus, healer and physician.  
Amen
