## Vision Statement

St Michael's Catholic Primary School is a welcoming community, embracing the Gospel values of faith, hope and love. We provide a Catholic education that nurtures the development of all children to their full potential. Through Christian witness, we offer a safe and supportive learning environment for the families in our school community.

We would like to acknowledge the Aboriginal people and their ancestors who are the Traditional Owners of this land. May we and all Australian's, Aboriginal and Non Aboriginal, continue to be committed to the ongoing journey of Reconciliation.

Dear Parents, Staff and Students

St Michael's welcomed Mr Rob Crothers to our school on Tuesday. Mr Crothers is the Principal of Our Lady of Mercy College and visited our school to present Brooklyn Langridge with the Our Lady of Mercy College's Music Scholarship. The Scholarship will cover the costs of group lessons and instrumental hire for two years. Congratulations Brooklyn, St Michaels is very proud of you.

Our Kindy Pre Primary students told us all about the importance of recycling at our assembly last Friday. They have been working hard to improve the Recycling Hub in our school. Thank you Pre Primary / Kindy class for all your information and hard work.

Our students will be seeking sponsors for when they participate in our Cross Country on Friday 3rd July. We would encourage our families to support our P&F who have been so generous in their support for St Michael's

### **Board Meeting**

The next Board Meeting will be held on the 29 June at 6.30pm.

### **Cross Country**

Cross Country will be held at the Brunswick Oval on Friday 3 July at 2pm for Yrs 1-6. Please return permission slip in this newsletter ASAP, giving permission for your child to walk over to the oval for training.

Thank you

### **Change of Details**

Can parents please notify Julie if there are changes of personal details so they can be updated in the system.

We have noticed that some emergency phone numbers belong to people who don't live in the state.

Some families don't have emergency contacts. This is very important so we have a contact in case of an emergency.

Change of addresses and phone numbers are very important also.

Thank you in anticipation.

### **SCHOOL FUN RUN**

We will be doing the school fun run this year incorporated with our Cross Country Run on the 3<sup>rd</sup> July. This week we will be sending home our fundraising packs. This is not compulsory – but it is very simple and fun for the kids. All they need to do is get people, like family, friends and neighbours to sponsor them to run in their schools cross country. Each child that fundraises get to choose a prize in their booklet (corresponding with the amount of money they have raised) which will be delivered to the school next term. There are some really cool prizes which gives the kids some incentive to fundraise.

All Forms and Money is to be handed in to their teachers or to the office by the 3<sup>rd</sup> July to be collected by the P&F. This is the last day we will be accepting them in as it is the LAST day of Term. Good Luck with your fundraising kids and have fun.

### **Uniform Shop**

The Uniform Shop will be reopening on a Monday afternoon from 3pm- 4pm next term, starting Monday 20th of July. A warm thank you to all for your understanding and patience this term in purchasing uniform items for winter!

A great thing about being part of a smaller school is the opportunity to form meaningful connections with fellow parents, students, teachers and the wider school community. Parents can do this by volunteering to help in one of several areas of St Michael's School, which create fantastic benefits for all of our students.

The St Michael's school canteen is looking for helpers!

If you are able to help on a Monday please contact Gemma on 0417 188 776 to put your name on the roster for Term 3.

## **UNIFORM SHOP**

The St Michael's Uniform Shop is seeking a wonderful volunteer to take the reins from our amazing Sarah for 2021 with training to commence Term 3, 2020. Please contact Sarah if you feel this is an area you can help with 0450 901 090

***St Michael's Recycle station***

Families are invited to utilise St Michael's School Recycle Station for any recyclable waste such as bottle tops (plastic or metal), cans, can rings, bottles, cardboard, paper products and batteries.

The recyclable materials will be delivered to the Stanley Road Waste Facility and recycled appropriately.

Thank you Mrs Clay for your commitment to making St Michael's an environmentally friendly school.
