## **Vision Statement**

St Michael's Catholic Primary School is a welcoming community, embracing the Gospel values of faith, hope and love. We provide a Catholic education that nurtures the development of all children to their full potential. Through Christian witness, we offer a safe and supportive learning environment for the families in our school community.

We would like to acknowledge the Aboriginal people and their ancestors who are the Traditional Owners of this land. May we and all Australian's, Aboriginal and Non Aboriginal, continue to be committed to the ongoing journey of Reconciliation.

Dear Parents, Staff and Students

Our school celebrated the Sacrament of First Holy Communion last Sunday. The ten students were wonderful in the manner in which they read, sang and showed a deep sense of reverence when they received the Eucharist for the first time. Well done students, staff and Mrs Jameson.

We are looking forward to our Learning Journey evening as it is a great opportunity for our students to show their parents some of the wonderful work they have completed this year.

Our students are preparing for our St Michael's Day celebration next Friday the 25th of September. The students will run their own activities, stalls and games at the fete. We also acknowledge on our patron saint's feast day the dedication and commitment to the community of the Presentation Sisters who served Brunswick for many years. The day will commence with Mass at 9.00am and our fete will commence at approximately 1.15pm. The K/PP class would welcome any donations to the White Elephant Stall and the 1/2 class are looking for donations for their cake stall.

ST Michael's held their sports day last Friday. WE were all so very proud of our students who reflected a true Spirit of Jesus in the manner in which they competed. As Mr Henderson said, it was great to see how all students encouraged and supported each other.

Mrs Walton has taken a well earned rest for the last two weeks of term. Mrs Walton worked through our mid year break preparing for a wide range of changes related to financial reporting by our school. We hope she enjoys her trip north to visit her daughter.

God Bless  
Phillip Rossiter
